A screenshot of a laptop displaying the DRMS website. The website has a header with the Defense Logistics Agency logo and the text "Defense Reutilization & Marketing Service" and "DoD's Provider of Choice for Worldwide Reuse, Recycling and Disposal Solutions". The main menu on the left includes "DRMS Home", "DRMS (DRMO) Locations", "Military / Government Usable Property Turn-Ins", "Military / Government Scrap Property Turn-Ins", "Electronic Turn-In Document (ETID)", "Web Based Documents (WEB Docs)", "Property Search for Military, Federal, State & Special Programs", "MILSTRIB Search", "Recycling Control Point (RCP)", "Furniture Available", "Property for Sale to Public", "Contracting", and "Environmental/Hazardous Disposal Guidance". The right side of the website features a "Welcome" section with four images: a white truck, a person working on a large container, a helicopter, and a forklift. A yellow arrow points from the cartoon character's pointing finger to the "Welcome" section on the website. The laptop screen also shows the URL "drms.dla.mil/rtd03/index.shtml" and a PDF reader icon.

Define Your Search

This is a four part form only
Section "A" is mandatory!

SECTION A (MANDATORY)

Enter the 2-digit FSG, 4-digit FSC, or 9-digit NIIN (NSN = FSC + NIIN) of the item you are searching for. This is an efficient method to search DRMS property.

(Required) DoDAAC:

SXG493

Federal Supply Classes (FSC):
(2 or 4 digits separated by a space)

2310

"Section B- D" is optional...

Use this portion of the form to filter your search query to your specifications.

Optional Steps

SECTION B (OPTIONAL)

In this section you can refine your search by selecting to view items by the date that they entered into DRMS. This section must be used in conjunction with Section A.

Starting DATE for "Date Entered Inventory" search: (example of required format: 12-FEB-03)

SECTION C (OPTIONAL)

Currently DoD/DRMS has items in various condition codes. You must call the sites and have the item to view.

Supply condition code: A, B, C, D, E, F, G, H

Disposal condition code: 1, 1-4, Any

SECTION D (OPTIONAL)

The search can be conducted by the location of the property. Sites are alphabetically listed.

Please select DRMS site(s) for search or NO selection for all. To select a site, highlight the name within the list. To select more than one site, hold down the CTRL key and select another site. Selecting a geographic area will select all sites within that area.

Hold down the CTRL or Shift key to select multiple items from the list.

(4) After you have decided on your query options then submit

(1) Select a Start Date to query. This eliminates DRMS older inventory you may have already reviewed previously.

(2) You can narrow the search by asking for specific condition codes

(3) Search the inventory of specific DRMO locations OR just leave blank and search the worldwide inventory.

Recommendation: search all DRMO locations

Didn't Find What You WANT?

Create a WANT LIST

- A "WANT LIST" is a file of NIINs (up to 10k) that is automated to search DRMS assets for you.
- You must be on a **.mil** network and have a **.mil** email address.
- Once you establish and activate your Want List, our web site will monitor incoming receipts to search for the specified NIINs for up to six months (you decide)
- If one (or more) is found, you will receive a daily or weekly (your choice) email to notify you of the property availability so that you may submit a MILSTRIP requisition.
- You can choose to have the results emailed to you in either text, PDF, or Microsoft Excel formats.

Starting a Want List

Create Want List

DRMS Home >> Create Want List

Step 1 - Enter your contact information

In order to create your Want List, the following information is required. The email address entered will be sent the results of the scheduled Want List query.

* DoDAAAC: SC4400
* Email Address:
* Point of Contact:
* POC Telephone:

Step 2 - Select Want List Criteria

Note: Daily search results are emailed Monday through Saturday. Weekly search results are emailed on Monday. The results of your initial search (before scheduling) are all items in the inventory, regardless of the Date Entered Inventory. Daily property results will only display new property that has entered inventory within the last 24 hours. Weekly property results will only display items that entered inventory within the last 7 days.

You will be notified by email when your search is about to expire. Upon receipt of the notification, you may choose to extend your Want List, or do nothing and the scheduled search will be removed.

What format would you like to receive the data in? [\[Help\]](#) Excel PDF Text
